To our valued patients and colleagues,

On October 31, 2022, Obstetrics and Gynecologic Associates of Iowa City and Coralville, P.C. made a strategic business decision to file Chapter 11 bankruptcy. Due to the excessive judgment recently entered against our clinic, which is currently under appeal with the Iowa Supreme court, Chapter 11 offers our clinic the best opportunity to continue providing unmatched patient care without the distraction of this pending litigation.

Going forward, our clinic will continue operating in the ordinary course of business, and there will be no change in normal operations or patient care. Our clinic has cared for women for over 60 years in this community and we plan to continue in a seamless fashion.

In the meantime, if you have questions or concerns, please reach out to us. We want to thank you in advance for your loyalty and patience during this process.
